

# **Baribeau to Speak at Conference of Consulting Actuaries' Annual Meeting**

Annmarie Geddes Baribeau, president of Insurance Communicators, LLC, will be speaking at the [Conference of Consulting Actuaries' Annual Meeting](#) on Monday, October 25. She will be a panelist during the discussion "Client Concerns re: Marijuana Legalization."

The discussion will be moderated by Margaret Tiller Sherwood, president of Tiller Consulting Group, Inc. Joshua Carden, partner with Carden Livesay LTD, will begin the conversation by covering marijuana legalization.

Baribeau will be speaking on the concerns and opportunities for actuaries. She believes marijuana will become more expensive for insurers as use increases. Baribeau encourages carriers to engage in more research to inform the public conversation. To read her work on marijuana, please check out her articles in [Actuarial Review](#) and [Leader's Edge](#).
